

Welcome to Planet Custom Sneakers

Custom Footwear Specialist

2024

Our shoes are entirely designed, manufactured and personalized in Italy in order to create an exclusive and high-quality product and this respond better to the requests of each customer.

Each stage of production is followed in detail: from the selection of leathers and materials strictly Italian, to the application of the customer's brand. Expert craftsmen blend with great skill the techniques of traditional Italian shoe making with new and latest materials.
